“I regularly assist in my son’s classroom and see first hand the positive interaction between teachers and students.”

Diane and Laurence Dellevergin, parents, Merimbula Public School

“The staff at Merimbula Public School are local people with a genuine interest in our children. Many have their own children at the school which demonstrates the confidence they have in the learning environment provided.

“We have been impressed by the welcoming manner of the principal, teachers and office staff and their ability to discuss any questions we may have about our child’s education.

“Merimbula Public School has bright, beautiful and brand new facilities and provides a learning environment to be proud of.”
