“Merimbula is a great community school with a fantastic atmosphere.”

Sally and Danius Mauragis, parents, Merimbula Public School

“Our three children enjoy going to school and benefit from the school’s resources, including the library, computer room and modern facilities.

“The school is a great size and provides an environment where numerous friendships develop.

“Teachers have an excellent attitude and provide a high standard of teaching that accommodates the needs of all children.

“Among its many positive attributes, Merimbula Public School achieves great results in boys’ education and is an educational leader in many ways.”
