HOMEWORK & REMINDERS

Dear parents, caregivers and grandparents,

There will be no set homework for the next two weeks. However, the students will still be expected to:
(a) learn their spelling words this week (there will be no words next week)
(b) read each night for at least 30 minutes
(c) organize their prepared speech if they have not already presented it (timetable and topics available on the school website)
(d) bring a digital camera to school this Wednesday, 22nd June, so they can take photographs on our nature walk before lunch
(e) bring their 3 best nature photos taken on a digital camera (to school) on a USB drive by Friday, 24th June
(f) bring clothing for their mannequin this week

Thank you for your assistance,

Lorraine Dykes
(Class teacher)
