1. Revise your 5 times tables every night.
2. Complete the set tasks in www.studyladder.com
3. Complete the following activity

**One Million Dollars**

You have been given $1,000,000 to spend. It is yours as long as you can spend exactly $1,000,000 on a minimum of 5 items and a maximum of 10.

(a) Look through a variety of catalogues and brochures to construct your shopping list. Cut out each item you wish to purchase and attach it to the sheet.
(b) Write an addition sum to show your spending.
(c) If you didn’t spend $1,000,000 exactly what was the difference. Write a subtraction sum to show how close you were.
