Merimbula Public School’s Celebration Disco:

The Student Representative Council (SRC) at Merimbula Public School host a Celebration Disco twice a year to reward students for their good behaviour and hard work efforts. Each disco also raises money for local and global charities and other worthy causes.

Last year’s Term 4 disco raised $500 to support orphan children in the Samoan Islands. The SRC have since purchased stationery and educational supplies to send to the children.

This term’s disco has allowed the SRC to raise funds to support Bega sporting clubs who recently lost their equipment in the Bega flood.
